

**You are unique
and so is your
thumbprint.
There are over six
billion people in
this world.
No two people
have been found
to have the same
thumbprint.
Doesn't that make
you feel someone
very special.
People have used
their thumbprints
as signatures for
thousands of years.
Your thumbprint is
your true identity.
Using your
thumbprints you
can make many
simple but exquisite
pictures.**

THUMBPRINTS

Of all the little
things we seek.
Our thumb appears,
to be unique.

Have you seen
your own thumbprint?
It has a
unique imprint.

No two thumbprints,
look the same.
But they make
a very good game.

Six billion people,
throng the globe.
Each with a
unique thumb lobe.

Every thumbprint,
in the world,
has different lines,
different whorls.

Print your thumb,
look up or down.
You might find,
in it a clown.

A bird, a lion,
a crawling snail.
A fish, a peacock,
snorting whale.

In your thumbprint,
you will find.
Lots of things,
to open your mind.
